## **MEMO to MEMBERS of CONGRESS and to REPORTERS:**

### **Television Channel for Congress**

The boycott requires that major media launch - in sixty days - Congress Television Channel, to be owned by Congress.

The format is television newsmagazine. The Channel gives each of the 535 members of Congress – alphabetically – a My-Newsmagazine presentation on any topics of his or her choice, to the nation and world, from anywhere on earth, including Sudan.

Any member of Congress can ‘Say anything-*show anything*-FROM ANYWHERE.’

#### **Note to Members of Congress and to Reporters:**

The format arithmetic is: 24 member of Congress anchors nightly, four Members per hour from 6 p.m. to 12. Fifteen minutes each.

**This means:** each of the 535 members of Congress gets a My-Newsmagazine slot every 22.3 days (535 members of Congress divided by 24 segments per six-hour evening).

Better, counting all 96, 15-minute segments in each 24 hours, each and every member of Congress owns for any use - hosting or deciding content - a 15-minute slot every 5.6 days (the 535 member of the U.S. Senate and House divided by 96).

### **Television Channels for Democratic and Republican Parties**

Great Victory Boycott requires that major media forthwith create Democratic Party Television Channel and Republican Party Television Channel, to be owned and operated by the national committees of the political parties, with side-by-side studio buildings in Washington, New York and Los Angeles.

Great Victory Boycott invites the Republican and Democratic committees, presidential campaigns, think tanks, Congress, blogs, corporations, Wall Streeters, unions, magazines, newspapers, social groups, associations, celebrities, and wealthy Americans to jointly convene a meeting to obtain Congress Television Channel, and Democratic and Republican party television channels.

## **Advertising on Congress Television Channel**

Great Victory Boycott intends to structure the Congress Television Channel so that all advertising on it, perhaps two minutes of each 15-minute newsmagazine segment, is potluck. Congress can make any changes as it sees fit.

Advertising on the Democratic Party Television Channel and Republican Party Television Channel can be split-dollar, equal on each.

## Columnists-&-Commentators Television Channel

Great Victory Boycott requires the simultaneous launching of Columnists, Commentators and Talk Show Hosts Television Channel; also known at Columnists-&-Commentators Television Channel.

Institutions such as conservative and liberal think tanks, blogs, corporations, columnists conservative and liberal, Wall Streeters, labor unions, magazines, newspapers, social groups, associations, celebrities, and wealthy Americans can jointly convene a meeting to obtain Congress Television Channel, and Democratic Party Television Channel, and Republican Party Television Channel.

### Potentially wealth advantages

In return for supporting the launch of the Columnists-&-Commentators Television Channel, major, supporting organizations and individuals would be given both **free Founder's stock**, and, 15-minute, branded newsmagazine segments, every 21 evenings, worldwide.

See page 12 herein.

The Founder's free stock in the satellite television channel can go to both the institution, and to the board of directors to be divided up.

Great Victory Boycott points out that some satellite television channels become worth double-digit billions.

Members of boards of directors are invited to contact Great Victory Boycott directly.

## **Memo to Members of Congress on both sides of the aisle and to the Congressional Black Caucus:**

### **(1) To obtain the three, worldwide, satellite television channels:**

Members of Congress can phone McDonald's chief executive officer, James A. (Jim) Skinner, Oak Brook, IL at 630-623-3000.

Suggest:

Convene the the 100 largest television advertisers. Per the document The Boycott Letter from Black Newspaper Publishers that SHOOK the WORLD.

This will get the television channels due to the issue of media silence about genocide in Sudan. Do this thing for the nation. The American people will honor you. You may well get a Congressional Medal. See the Great Victory Boycott document titled WALL STREET at [www.gathering-of-eagles.net](http://www.gathering-of-eagles.net)

Please get back to me tomorrow on this.
