For Black Pastors: 50,000 Black Churches to be awarded \$100,000.00 each. How to get yours, if paid at Boycott-settlement:

Great Victory Boycott requires a **One-Hundred Thousand Dollars Apology-Remorse-Atonement Funds/National Honor Award** payment to the first, accepted fifty-thousand black churches that support the boycott that is self-called the Largest Boycott in History.

The \$5 billion total here – only \$1 billion per each of five, huge-rich corporations – can be compared to the \$21 billion that Wyeth has set aside for fen-phen lawsuit payouts, a much, much smaller matter than negligent genocide silence about the genocide of 3,000,000 – 4,400,000 Black Christians. **No agreement to this payout, no boycott-settlement.**

SUGGESTION: ask **church board members**, then **10 church members**, then **100 church members** to take a look at the documents The Letter from Black Newspaper Publishers that Shook the World and “Wall Street – EASY SHORT VERSION” at www.gathering-of-eagles.net – to report their views back to the Pastor.

Great Victory Boycott invites pastors in every denomination to read parts of The Letter from Black Newspaper Publishers that Shook the World to their church members.

Pastors are invited to read and/or place the WHAT DO YOU THINK? Pastor’s Note (page 6) monthly with the Church bulletin until Boycott-settlement. This is to ask Church Members about what they think about the boycott against McDonald’s, regarding advertising on a television network. NBC has been silent about genocide of 3,000,000 – 4,400,000 Black Christians in Southern Sudan. See WHAT DO YOU THINK?, next page herein. Church members can look at and download the the documents The Letter from Black Newspaper Publishers that Shook the World and “Wall Street – EASY SHORT VERSION” at www.gathering-of-eagles.net – to report their views back to the Pastor.

Black pastors can obtain a **National Honor Awards Tentative-Number 1,000 to 50,000**. This is for \$100,000.00 in money – if paid at Boycott-Settlement. This can equal \$100 Million for 1,000 churches, one billion dollars for 10,000 churches. Terrence at: largestboycottever@gathering-of-eagles.com

Award receivers must be willing eventually (not now) to send in a photo of their church, and other Only-One-Award-Per-Church information.

The funds are to be distributed directly to each of 50,000 black pastors via a major Wall Street firm.

Separately, church members can get money for Count-me-in emails, if paid at Boycott-Settlement. Many black Americans might get \$10,000.00 money or more – if paid at Boycott-settlement – by getting count-me-in emails from friends. Stay-at-home moms, retired people, students, and others can see the document titled “Wall Street” at www.gathering-of-eagles.net, and form their own, personal judgment of the prospects for being paid.

A great Black triumph is planned by a new, online boycott, The Great Victory Boycott, also called The Largest Boycott in History. Great Victory Boycott demands liberating, apology-remorse **payments for Silence About Genocide of Black Christians in Sudan – payments from Big Media to Black American institutions and individuals.** The Great Victory Boycott asserts that to require some billions of dollars of apology-remorse payments – Honor Awards – to Black Americans and all boycott supporters is liberating.

The reason for the Great Victory Boycott is Big Media's silence about genocide of a known, reliably cited 3,000,000 – 4,400,000+ Black Christians in Southern Sudan. (This is separate from Darfur). Was this contributory silence? Has there been negligent genocide? Is Big Media's silence itself a crime against humanity? Christians of all races have been injured by the awful silence. This means that Black America can lead all Protestants and Catholics in righting the wrong of Silence. Is this silence the biggest American scandal since 1865? **What do you think? Please let us know.**

The Apology-Money National Honor Awards to be Paid to Individuals

To cause nation-stunning growth, the Boycott demands Liberation-Payments to individual Americans of \$100 to Sender and \$100 to Receiver for each 'Count-me-in' email from friends, family, colleagues. The Great Victory plan is that you get \$5,000 for 50 Count-me-in Emails, \$10,000 for 100, \$25,000 for 250, IF paid at Boycott-settlement. That's if. Great Victory asserts that the national totals have been run and are reasonable and doable. The how-to is given in Wall Street-EASY on the Home Page of www.gathering-of-eagles.net **What do you think? Please let us know.**

Victory Boycott Demands that Apology-Money be Paid to Black Churches

Great Victory demands remorse-apology payments, National Honor Awards, of \$100,000.00 to each of 50,000 Black churches. The Boycott asserts that the \$5 Billion total – divided among five huge media corporations – is reasonable and readily doable. Big Media board members will be sickened at the Silence by their news departments. **Pastors, church members, what do you think? Please let us know.**

Victory Boycott Demands that Apology-Money be Paid to Black Newspapers and Web Sites

The Boycott demands **National Honor Awards**, apology-remorse payments of one-million dollars in money – plus five million dollars in bank-secured advertising over 25 months – to *each* of 200 Black Newspapers, a \$1.2 billion total. 100 Black web sites are to get the same awards.

How to get on the list if the Money is paid at Boycott-settlement

The potential multi-billion dollars in payouts – if paid at Boycott-settlement – are seen in **Payments to Black Americans** in Adobe.pdf at gathering-of-eagles.net. There are no fees.

Money Awards for Online-Videos and Blogs

The Great Victory Boycott offers fully 365, one-million dollar National Honor Awards for online videos on Boycott-connected topics, and, 365, one-million dollar National Honor Awards for Boycott-supporting blog sites, if paid at Boycott-settlement. That's if.

A Black-led yet inclusive boycott

Is the Great Victory Boycott a good and victorious thing for Black America and all America? Great Victory Boycott suggests that the most powerful social instrument known to history is the once-in-generations, history-shaping boycott. The Great Victory Boycott may represent the arrival and triumph of the American Black upper-middle class as movers of history to be written of 100 years from now.

The boycott is of TV advertiser McDonald's, merely to stop advertising on target television network, GE's NBC Universal. McDonald's is a good company of good people; yet the crisis of Big Media's silence supersedes. The Board of McDonald's is to be richly rewarded for doing the right thing for America: To convene 100 TV advertisers to publicly confront The Problem of Big Media's Silence about Genocide of Millions of Black People. To lobby Congress to hold televised hearings about this staggering national scandal. To pay a 'We Advertised On Silent-about-Genocide TV' payment to each and all McDonald's employees, a payment to be half-paid by Big Media.

Great Victory Boycott is family fun. The Boycott is church power and joy. The Boycott is History marching. Black-led history is powerful and liberating. The money can be paid. For reference, Wyeth has set aside \$21 billion for fen-phen lawsuit payouts. There is to be a double-digit billions [Sudanese Christians Genocide Recovery Trust](#).

Great Victory Boycott policy is: No Victory-Payments, No End to the Boycott. All meetings must be very formal, in public, on U.S. and worldwide television, from Los Angeles. The Great Victory Boycott's motto: "WE ARE POWER". There are to be no negotiations at all. No deals. No compromises. Genocide is not for geniality. **What do you think? Please let us know.**

The Great Victory Boycott asserts that murders of Black Christians to half or three-quarters of the numbers of the Holocaust – in numbers equal to 20 times the dead of Hiroshima and Nagasaki combined – is an immense, historically momentous crime that must be addressed by the people of the world for years. For the first time in history, genocide has been committed against two of the largest, most powerful social groups on earth, Black People, and, the over two billion Christians. See **The Letter from Black Newspaper Publishers that Shook the World** at www.gathering-of-eagles.net

Question for review: Should Black newspapers, websites, and pastors of all races, publish WHAT DO YOU THINK? monthly or weekly as a Publisher's/Pastor's Note? **What do you think? Please let us know.** Letters may be published, and edited for brevity.
