 We don't go to McDonald's until Boycott-settlement is signed on the Evening News

Doubling stands to get you your National Honor Awards, Remorse-Apology Funds money. Doubling the number of Boycott Supporters periodically is wildfire.

Why you can logically believe that (1) the **Money**, p. 21, in **WALL STREET** will be paid, and, (2) the Federal Beneficial stock will be issued as **Wall Street's largest IPO**, pp. 9,30 at Boycott-settlement. What can happen in doubling:

Day 1	1,000	Supporters of The Largest Boycott in History
Day 2	2,000	
Day 3	4,000	
Day 4	8,000	
Day 5	16,000	
Day 6	32,000	
Day 7	64,000	
Day 8	125,000	
Day 9	250,000	
Day 10	500,000	
Day 11	1,000,000	Boycott Supporters
Day 12	2,000,000	
Day 13	4,000,000	
Day 14	8,000,000	
Day 15	16,000,000	Boycott Supporters
Day 16	32,000,000	
Day 17	64,000,000	= 20% of U.S. population
Day 18	125,000,000	= 40% " "
Day 19	250,000,000	
Day 20	"500,000,000"	= larger than the U.S. population

More unnerving to Big Media: only 1,000 persons X 100 Count-me-in emails each = 100,000 X 100 Count-me-in emails each = 10,000,000, X 10 Count-me-in emails = 100,000,000 households = The Largest Boycott in History.

Big Media's Silence about genocide of over 3,000,000 million Black Christians, and about Iran's plan for Holocaust II, are great scandals. Both of Sudan's genocides still continue. A wrong needs to be righted.

POWER IS US: This is the biggest U.S. domestic scandal and crisis in memory.

McDonald's and GE/NBC do not want you to send the WALL STREET Emails, pp. 17-18: It is out-of-control expansion.

The Largest Boycott in History is liberating for Black Americans & Protestants & Catholics & Jews & Women in America and beyond, pp. 25-26.

Who has the most power? The Largest Boycott in History declines to meet in private with any Boycott target. Reporters must be present, on the record.

[3] Due to Big Media’s silence about State-Policy Rape of Millions of Sudanese Girls.

[4] Due to Big Media’s silence about daily anti-Semitic violence in Europe.

[5] Due to Big Media’s silence about Iran’s announced Plans for Holocaust II in Israel.

This stands to be the most serious domestic crisis in the U.S. in memory.

The cause is just. It is one of the most powerful causes in our history.

You have been defrauded – of money and dignity. You are *owed*.

The Largest Boycott in History is against: **McDonald’s**.

All McDonald’s needs to get a Boycott-settlement – from a grateful nation – is:

(1) Formally – publicly – Stop advertising on First Target Television Network, GE/NBC.

(2) Invite an Event Planner to convene: The HISTORIC POPULAR ASSEMBLY, to include the 100 LARGEST TV ADVERTISERS, in Las Vegas. All Board Members. And spouses, pp. 25, 33.

The Boycott also has upbeat issues (unless you happen to be a billionaire team owner).

The Great Fan Liberation, The REVOLT of the SPORTS FANS: **All home games must be broadcast** in the NFL, NBA, MLB, NHL. See page 8 for more sports fans power.

How We Consumers can get back some of OUR MONEY

Great Victory Boycott is a strategy for Americans to 'Get some of our money refunded' – and stop Big Media's Silence about genocide. To get back some of our Trillion Dollars (cited, p. 30) spent over 15 years on TV commercials-alone on television networks that do not report on the five 1. Immense, 2. Historic, 3. Worldwide News Stories, previous-page, including:

- (1) Genocide of 4,000,000 Protestants and Catholics in south Sudan.
- (2) Genocide Against Black Africans in western Sudan, 465,000 murdered and rising.

CITATIONS: 3,000,000 dead is a New York *Times* figure, July 21, 2005, Sudan Still Paying Militias Harassing Darfur, U.S. Says, Page: A3. National Geographic asserts 2,850,000 civilians murdered in south, Christian Sudan, in article GENOCIDE, January 2006, Page: 30. 4,400,000 murdered, Hudson Institute, Crimes Against Humanity in Sudan, May 27, 1999.

The boycott organization details the specific ways that we Americans can get back some of our billions of dollars: pages 9-21.

Send one email a day: reserve \$1,100.00 per day for yourself, page 15.

Why should anyone believe that the money herein will be paid?

Answer: This is the most serious domestic crisis and scandal in our nation in anyone's memory. Some commentators may say, since the end of the Civil War, 1865. Page 6 >

Why you will get your money: This scandal is 1,000 times Watergate. The Big Media scandal of continuing silence about Genocide of over 3,000,000 Black Christians in south Sudan, and Iran's plans for Holocaust II of 6,000,000 Jews, *again*, makes Enron and Watergate and Bophal look like a boy stealing an apple from an apple orchard.

To ******(1) GE-NBC, (2) GE-Microsoft's MSNBC, (3) Viacom-CBS, (4) Disney-ABC and (5) Time Warner-CNN, making good on some billions of dollars in Boycott-settlement, Apology Funds payments is a detail. It is Wall Street affordable, p. 21. It is the lesser of their problems.

The nation-arousing, heart-wrenching 21 words that get you your Money, and, Stock.
One of the most awful facts in 400 years of American history 1507-2007:

**The 4,000,000 Black Christians murdered in genocide to Big Media’s silence
is 20 times the dead of Hiroshima and Nagasaki combined.**

GE’s NBC News: SILENT

WORSE: The lives of these millions of Black Christians *would have been saved* had
only these Five Big Media, (1) GE-NBC, (2) GE-Microsoft’s MSNBC, (3) Viacom-CBS News,
(4) Disney-ABC News and (5) Time Warner-CNN simply reported the news.

Reportage that would have won Pulitzers. This may be contributory-silence.

The 3,000,000 – 4,400,000 Black Christians murdered to Big Media’s silence is equal
the entire U.S. Black Population at the time of the Civil War: **GE’s MSNBC News: SILENT**
1,000 times the murdered of 9/11: Murdered Black Christians: **NBC News: SILENT**
Ten times the storied horrors of the Rape of Nanking, 1937: **GE’s NBC News: SILENT**

Sudan may become over 4,500,000¹ Black Christians murdered,
three-quarters the numbers of the Holocaust. **GE’s NBC News: SILENT**

The horrors caused by GE/NBC’s Silence are: Middle Passage-2. Let every Black
American spread the word in solemn language of just-anger. This scandal shapes our times.

NBC News’ **Brian Williams**, CBS News’ **Katie Couric**, ABC News’ **Charles Gibson**,
CNN’s **Campbell Brown** and GE’s MSNBC’s **Chris Matthews** still practice their rigid,
extremist, intolerant, Genocide Denial against Black Christians.

The Five Airheads of the Apocalypse are costing their corporations billions of dollars.
The Board Members are going to take strong issue with these omissions. It is a bit late.

Q.: Should Largest Boycott require that the Five News anchors give back – as Remorse-
Reparations – 50% of the many millions of our money we paid to each of them? And be gone.
How many millions of *our dollars* must we pay to each of them despite their Silence?

They said *Titanic* could not have a sequel. Now, *TITANIC 2: GE/NBC*.

¹ There are news reports of 1,500,000 Black Christians having been “herded” to their deaths in areas where there is
no water and no food. “Civil war”? No. NBC News’ foolish cover-up *to avoid-riling-Christians*. Board Members:

The phenomenon of the Major, Restructuring Boycott as in 1776, 1947 and 1955

The 'once-in-a-century' boycott is the most powerful social instrument known to history:

1776, the Founding Fathers. 1947, India's Independence. 1955 Montgomery Bus Boycott, Civil Rights. 1980s boycott against South Africa's racial *apartheid*.

The Largest Boycott in History has larger issues than all four of these history-shaping boycotts – *COMBINED*. The world will hold its breath over this Scandal of Silence.

Who has more power? From Day 1, the Once-in-a-Century Boycott is *more powerful than any combination of the forces that can be brought to bear against it*.

Opposing a major boycott is like punching the Pacific Ocean.

All the more so when one cause is Big Media's Silence about Genocide of Millions of Black Christians in Sudan. Major boycotts disempower major powers.

A New Thing: The restructuring-boycott does not want anything. Rather, it reveals to the heretofore Dominant Culture that a new and greater power has arisen. Us. You.

For example: a top executive at McDonald's or GE/NBC states, "We will never agree to such-and-such."

Compared to the immense power of a Great Victory Boycott, this has the importance of a flea alighting on the backside of an elephant.

Largest Boycott will simply issue a media release that the Big Suit must be separated from the corporation before there can be any communication at all with the corporation. Never mind even a glimmer of hope of Boycott-settlement.

We are not supplicants. The boycott target is the supplicant.

The SETTLEMENT: must be in public. TV and print reporters present. Worldwide TV.

Q. WILL YOU GET YOUR MONEY? A. What would *You* do as a Board Member?

What is a useful point here for You?

There is no need to mistake the everyday, resentful, 'We're calling for a boycott' [translation: they've got nothing] with the truly immense and deep power of the once-in-a-century boycott. LARGEST is the most *comprehensively*-organized ever.

The Largest Boycott-compelled, largest Wall Street IPO ever, of Federal Beneficial Automatic-IRA Light-Entertainment SportsBOND Commission Inc., can create \$200 Billion for distribution in free Founders stock to millions of founders herein. The NUMBERS, pp. 10-12.

You can get maybe \$1,000,000 in Free, Founders stock in Federal Beneficial.

The Great Fan Liberation. The Revolt of the Sports Fans

1. **No more blackouts by billionaires.** All home and away games must be televised by the NFL, NBA, MLB, NHL. 100%-Broadcast-or-Basic Cable, Lord Duke Sir Billionaire. League go on strike? Do it. We will form fan-owned teams. Issue NYSE stock in each.
2. **We fans have all the money. We decide:** (a) No sponsorship of pre-season NFL games. The 20-game season. Adjust for it. (b) NFL must be broadcast four nights a week: Thursday, Saturday, Sunday, Monday. Three NFL games broadcast on SATURDAYS. (c) NFL Network must be on Basic Cable. No more Bait-and-Switch from owners. You 32 Billionaire Team Owners are our employees. Stop screwing up or you’re fired!
3. All teams must be able to issue Public Stock and be Fan-owned. Like Green Bay.
4. **The Great Rebellion by the Unpaid Field Hands:** College athletes & coaches must get 50% of TV revenue. What the *Wall Street Journal* calls the “Plantation” is an illegal trust.

More Fun, More Power:

1. **Free university for every human being worldwide forever:** Ten Billion Dollar Perpetual-Trust (p. 21) for The Free, Wall-screen & Online, Worldwide, Great, Satellite-and-DVDs, University of Christendom. FREE. Los Angeles-based. The 5,000-year Caste System – gone. Worldwide architectural contest for the physical campus of ‘Wal-Mart’ university. Plus, Grades 1-12 *equal to the best private schools*. In 10 major languages. FREE.
2. **The Founding Fathers high-five:** A Billion Dollar Trust to discover if there may be interest in a federation of the U.S., Canada, Australia, New Zealand, Liberia, Puerto Rico. Perhaps even Great Britain. Maybe even Ireland if the lowly Irish can be civilized. Singapore? Into a 75-state, 150-Senators, United America Canada Australasian States (UACAS). Deal-Maker: *Each nation keeps its own parliament etc. as intermediary institutions.*

We all have the right to one over-the-top idea: The history-stopping, anchor nation of the world. Rolled-out by five worldwide media corporations.

3. **End of Protestant-*apartheid* and Catholic-*apartheid* in TV characters:** Fair inclusion of Protestant and Catholic and committed Jewish *dramatis personae* on television = Cultural Identity, not religion, on television. They include the complete range of the human persona and dramas of every description under the sun without limit. If any persons object to Prod, Cath and Jewish characters, they are free to bounce off rubber walls while babbling to the moon. Multiculturalism, yo, dude! Diversity rocks! Intolerance: bad.

Faw down, go boom: 100+ years of “post-Christian culture” – poof. Gone with the wind. As important as winning a sea-change presidential election.

How to Get Money from the Largest Boycott Ever

These pages, 9-15 are: How-the-money-can-be-there-for-you.

The how-to-detail of sending the Get-Wealth-Free email to friends, family, colleagues, customers: pages 16-21. WHEN YOU GET YOUR MONEY, pages 22-24.

The plan is that many millions of Americans be Founders of Federal Beneficial Automatic-IRA Light-Entertainment SportsBOND Commission™ Inc. Founders get free stock. Also known as: SportsBOND/Federal Beneficial Sports Wagering Commission™.

Federal Beneficial stands to be the largest IPO ever². You can be a Founder of a major corporation on the New York Stock Exchange.

So you get your free wealth as described here: the required-IPO on Wall Street of: Federal Beneficial Automatic-IRA Light-Entertainment SportsBOND Commission™ Inc.

The stock is: National Honor Awards, Remorse-Apology Funds for Americans.

That is: Largest Boycott will raise large funds for National Honor Awards to Americans. To you. No one pays a penny to anyone ever:

Largest Boycott's intended-patronage comes from the requirement that the five – **stunned**, deeply scared – worldwide media corporations issue the Initial Public Offering.

To GE/NBC, issuing your stock is: a simple 'do it' phone call to a lead investment bank. GE *publicly*, on the Evening News, "for the American people," brings in the other four Big Media with anti-trust waiver. The American people watch, carefully.

SUMMATION –

It can be \$1,000.00 to you for *each* Count-me-in email REPLY from friends.

To be precise: \$1,100.00: \$100.00 in Apology Funds **Money**, not stock. And:

Potentially \$1,000.00 to you in Federal Beneficial **Stock** for each email REPLY.

Your friends can do the same to others. It's WALL STREET. It's wildfire.

Each REPLY-person-to-you is also set to get \$100.00 in Apology Funds **Money**, if paid at Boycott-settlement, and potentially \$1,000.00 free, Founders **Stock** in Federal Beneficial.

You can become a free Founder of **Federal Beneficial Corp.** and maybe get multiples of \$1,000.00 in stock at Initial Public Offering.

A multiple of 100 Count-me-in emails could mean \$100,000.00 (One Hundred Thousand dollars) in free Federal Beneficial stock. To you.

Millionaire You: A multiple of 1,000 could mean \$1,000,000.00 (One Million dollars) in free Federal Beneficial stock. To you. The real meaning of the word free: free.

² The largest IPO to date: Industrial & Commercial Bank of China (by Goldman Sachs), \$22 billion, with \$350 billion in orders for the stock. – Fortune, December 25, 2006. This raises a real question of whether underwriting the IPO limits the sale and price. Federal Beneficial can obtain a larger IPO, page 30.

WALL STREET – free Apology Funds from billions of dollars (page 21) at Boycott-settlement:
Due to Big Media’s Silence about [1] Genocide of 3,000,000 – 4,400,000 - citations page 5 -
Black Protestants & Catholics in Sudan, and, [2] Iran’s plans for Holocaust II.

Here is the explanation of the large numbers, pp. 10-12.

Largest Boycott suggests that the purely speculative, ‘Blue Sky’ projections are that such a corporation – with intrinsically small expenses, no goods to deliver, and perhaps a billion+ dollars a day turnover, and 5-7% profit of \$25 billion – might have a potential, largest Wall Street valuation of \$500 billion (at 20 times earnings). Or maybe 500 beans.

How Federal Beneficial is like Google and eBay: the essence of the whole corporation is just 100,000+, \$1,000-blade-servers lashed-together in a warehouse.

No goods to manufacture or deliver. Yet, millions of daily visitors spend money.

Multiples of \$1,000.00 to You:

As forty per cent of YOUR corporation can be worth a very large \$200 billion (or maybe not anything), up to 100 million Americans can get \$1,000.00 in free, Founders stock in Federal Beneficial.

Millions more Americans can get 2 to 1,000+ lots worth maybe \$1,000.00 each.

For example: 100 could equal \$100,000.00 – to you.

1,000 could equal \$1,000,000.00 – to you. Or more. Or less. Or maybe nothing.

WALL STREET DECISIVE # 1: The plan can be acceptable to the nation and to Congress because wagering is by Dedicated-Debit-Card-only, one-per-adult. It is individual-limit by income to *light-entertainment*. Net-Loss-Limit for most people: Starbucks-money.

Why Congress very strongly supports The Largest Boycott in History: page 13.

WALL STREET DECISIVE # 2: The National Deal-maker: 10%-surcharge of *each* wager goes into the person’s Automatic-Individual-Retirement-Account. This 10% is the ‘taxes’. Locked until 65. Viewable online. The popular name: ‘My Cumulative Winnings’.

WALL STREET DECISIVE # 3: Federal Beneficial is to be **editorially advocated** – **continuously** – **by the five media corporations** – if they *ever* want to settle The Largest Boycott in History with the American people.

And advanced in Congress full-time by 20 lobbyists per corporation, 100 lobbyists total. *You stand to get your multiples of \$1,000.00 lots in stock*. But this is merely an opinion, not a fact. Don’t spend money until you get it, if you get it.

WALL STREET DECISIVE # 4: The Commission is to be a Congress-chartered corporation, like ‘Fannie Mae’. To be the private-FCC of regulated wagering.

All major Wall Street investment banks and Black-owned Wall Street firms will be involved in the Initial Public Offering.

The Street loves it: Federal Beneficial is to capture most all online sports and other wagers (except Las Vegas et al) by making none-Federal Beneficial U.S. wagers *for funsies*. Not-FedBen wagering sites: like pirate radio stations. You get your money back, *by law*.

\$10,000 money to you for each 100 Count-me-in Email Replies (pages 15-16).

We don't go to McDonald's until Boycott-settlement is signed on the Evening News

LARGEST BOYCOTT has historically unequalled power in Congress. **We have: more power in Congress than all the television networks combined. Page 13 >>**

Federal Beneficial will be like Fannie Mae/Freddie Mac - chartered by Congress, audited by Congress - a de facto legal monopoly: so all wagering is *universal-pari-mutuel* (UPM). There is no 'house'. A de facto private SEC/FCC for regulated wagering.

The plan is for public bidding for the many piggy-back licenses. Like for FCC bandwidth, except Federal Beneficial gets the license fee.

WALL STREET DECISIVE # 5: Perhaps the Best Business Model ever: Federal Beneficial can be a worldwide corporation out the gate: The 10%-surcharge of every light-entertainment-wager into Automatic-Individual-Retirement-Accounts is very attractive.

Viacom has over 100 separate, MTV Channels worldwide over geographic areas. There can perhaps be the same number for Federal Beneficial:

10+ major world languages from Day 1: English, Mandarin, Cantonese, Russian, Japanese, Spanish, Hindi (the 2nd major language), Korean, Bengali, Malay (Indonesia), Portuguese (Brazil), French.

The \$1 Billion-a-day Category-killer: Worldwide Sports Leagues (WSL) 100-nations-every-night, 365. Federal Beneficial: bigger than many nations.

Dept. of Wow: Requests-for-Proposals for WSLs will be issued at Boycott-settlement.

Summation: Federal Beneficial simply monetizes sports wagering. Like EBay, iPod: a cottage industry of amateurs is turned into a serious, global, don't-tread-on-us business.

Monetizing sports wagering and online-gambling (and Federal Beneficial's 50-state, 100-nation, and \$1 Billion-a-Week-Lotteries=1,000-Millionaires-Weekly Worldwide) can be much larger than Microsoft. After a person buys MS software, no further money goes to Microsoft.

In contrast, Federal Beneficial can have money pouring in worldwide, 24/7, 365.

FOR COMPARISON: Big Oil now does a trillion dollars a year, with \$100 billion profit (New York *Times*, February 12, 2005, Big Oil's Burden of Too Much Cash).

A TRILLION DOLLARS A YEAR IS: \$2.74 billion per day (365 times \$2.74 billion). For example of \$1 trillion a year: 100,000,000 people worldwide wagering \$27.00 a day, or 50,000,000 wagering \$54.00 a day. This gives a light-entertainment and Automatic-IRA Net-Loss-Cost less than people spend at Starbucks. No thrill of winning at Starbucks.

Some Wall Street observers might 'Blue Sky' speculate that \$1 Trillion revenue might become reality, as Federal Beneficial grows – led by five worldwide media corporations.

Automatic-Individual-Retirement-Accounts (AIRAs) may be a worldwide winner.

WALL STREET – free Apology Funds from billions of dollars (page 21) at Boycott-settlement:

WALL STREET DECISIVE # 6: Using their Federal Beneficial Debit Card, it follows that a person can elect to put a surcharge of *any purchase* into his or her Federal Beneficial Automatic-Individual-Retirement-Account.

The Jane Smith Example

Jane Smith specifies that 10% of her Starbucks purchases made with her Federal Beneficial POWER Card™ – a surcharge – will go to her Federal Beneficial Automatic-Individual-Retirement-Account.

Starbucks has the option of matching All-or-Part-or-None of this 10% – like an employer matching 401(K)s.

SO: Jane spends an average of \$5.00 a day at Starbucks on coffee, pastries and so on. This is \$1,825.00 a year. This total stuns and appalls Jane. Some of her friends spend more.

Ten percent of this is \$182.50 a year. Starbucks chooses to MATCH this for customers like Jane.

THEREFORE: Jane is now investing \$365.00 a year from her Starbucks purchases alone. This money is placed instantly into Vanguard-Fidelity-genre safe mutual funds. Or government bond funds and bank CDs.

This is shown Vendor-Specific to Jane every day she looks at her Federal Beneficial-Account online. With 10-20-30-40 Year Projections.

Compare with the disgraceful, virtual-theft, 1% to 1.5% return on Jane’s 6.2% - actually 12.4% - contribution to Social Security. - Wall Street Journal, December 27, 2006

JANE’S TOTAL IN 10 YEARS:

At the end of ten years, Jane’s Federal Beneficial/Starbucks-Affinity alone is \$3,650.00.

It is perhaps twice that by the increase in her Automatic-Individual-Retirement-Account mutual funds investments, \$7,300.00.

In 20 years, perhaps \$20,000. In 40 years, perhaps \$50,000 from Jane’s Starbucks-Affinity Purchases alone. Jane likes this.

All this is extraordinarily beneficial to societies worldwide. Congress likes this.

WALL STREET DECISIVE # 7: Millions of Americans (**including you?**) postal-mail their claims to the New York investment bank, when the time comes, to get their potential multiples of Founders’ \$1,000.00 Federal Beneficial stock for each Count-me-in email REPLY. Claims are limited to to 1. Adults, 2. U.S. Citizens, 3. Real-persons.

Incidental advantage: Congress deeply comprehends an unblinking gaze from tens of millions of unsmiling voters. Supported by *unending* Big Media editorializing and lobbying.

The Plan to get you your *MONEY* gets *MUCH MUCH* better: Why Congress seriously supports The Largest Boycott in History

The Largest Boycott in History requires that the five media corporations create three new television channels. With Start-Dates-Certain and \$1,000,000-a-day Lateness Penalties:

Channel # 1: CONGRESS TV CHANNEL.

This Channel will give each and every member of Congress a 15-minute evening segment every 3 weeks – like a '60 Minutes' segment.

In A-to-Z order forever. "Say anything-*Show anything*-FROM ANYWHERE."

(The NUMBERS: the 535 members of Congress, divided by the 24, 15-minute segments each evening 6-12 p.m. equals 168 members of Congress per week, all 535 every 22 days.)

Congress has *twice* declared that there is (1) Genocide, and, (2) State-Policy Mass Rape, ongoing in Sudan against Black Christians and Africans. > **GE's NBC News: SILENT**

Channels 2 & 3:

REPUBLICAN PARTY TV CHANNEL. And: DEMOCRATIC PARTY TV CHANNEL.

These two TV channels will be given to the National Committees to do with what they want – including raise huge money. To a Congress that voted 422-0 that Sudan is genocide.

NOTE: there are 100s of TV channels. No one needs to watch any of these three.

NBC NEWS, CBS, ABC NEWS, CNN & MSNBC reporters knew genocide was ongoing.

These reporters and News Anchors said nothing.

These reporters and News Anchors did nothing. Our nation is simply fed-up.

These reporters are extremists, the most *rigid*, hard, biased faction in the United States.

Our prediction: DNC Channel, and, RNC Channel will each have an Evening News, outsourced. Each Evening News will treat Genocide of over 3,000,000 Black Christians in south Sudan as a historic news event and *immense crime* – and not **a non-event about non-people** as NBC News and the other good little secular utopians do.

Look for satire programs, outsourced. There is not enough humor in this world.

LOVE FOR US GROWS: Largest *requires* continuing editorial advocacy for AIR CONGRESS, 25+ jets. Corporate gifts, to the nation, from the 100 largest TV advertisers.

Up, up & away, notably for a trans-two-oceans nation (p. 8).

Members of Congress are invited to schedule nationally-televised U.S. Congressional Hearings on the Silence by Big Media.

Due to Big Media’s Silence about [1] Genocide of 3,000,000 – 4,400,000 - citations page 5 -
Black Protestants & Catholics in Sudan, and, [2] Iran’s plans for Holocaust II.

Deeply Frightening to GE/NBC, CBS, ABC News, CNN, MSNBC Board Members:

If you like, Email Congress. At: House.gov or Senate.gov.

You might email: “Please hold Nationally-televised, U.S. Congressional Hearings about Big Media’s Silence about Genocide of 4,000,000 - a cited number - Black Christians in south, Christian, Sudan. And Silence about Iran’s plans for Holocaust II.

“Invite survivors from Sudan to testify to the world about the Horrors.

“Please subpoena chief executives, news anchors, board members. The American people are fed-up. See the document titled Wall Street at www.gathering-of-eagles.net Pages 13-14.”

To all 535 Members of Congress

The American people are driven forward by, and recommend to your attention:

The most history-shuddering scandal and domestic crisis in 140 years:

That the lives of millions of Black Christians not only *could* have been saved, but **would have been saved** had Five Big Media merely done their basic minimum job: to report on the U.S. Congress-twice-declared, Wall Street Journal-reported, genocide from the Killing Fields of Sudan. Could have been saved – But were not saved.

See **The Great Betrayal of America**, PAGE SIX. Citations, page 5.

IF. If the 4,000,000 slaughtered Black Christians had been WHITE, LIBERAL, SECULAR HUMANISTS, Big Media would have seen that their White Lives were saved.

Any U.S. administration would have been Dominant Culture-required to have NATO troops seen embarking at midnight from five world capitals to save the Precious White, Liberal, Secular Humanists.

The Genocide Against Black Christians in Sudan still continues. **NBC News: SILENT**
The Race Genocide Against Black People in Sudan still continues. **NBC News: SILENT**
The State-Policy Rape of Black Women still continues. **GE’s NBC News: SILENT**

Big Media’s silence is: Negligent genocide. It is complicit. **MSNBC News: SILENT**

In felony law, it is Conscious Disregard, and, Implied Malice. **NBC News: SILENT**

Perfect Storm Nightmare for Media Executives

This is a horror that Big Media board members will feel themselves. “What have you News Department *colossal fools* done to us?” This will be said to \$10,000,000-a-year airheads.

GOOD NEWS: To be a hero to America, Bill Gates can go **Mount St. Helen’s Volcano-Erupting to his GE partner**. There is a time for just-anger. Before an admiring nation.

Potential to sweep the country

You can spread the word about **WALL STREET** separately by email to friends, family, colleagues. As in the two Draft Emails, pages 17-18.

Even a potential \$200 Billion bank has limits: it is in-date-order. This is wildfire.

\$100,000.00 total to you: If you get only 100, \$1,000.00 lots in free, Founders **Stock** in Federal Beneficial. Plus to-be \$10,000.00 in **Money** to you (100 times \$100.00).

Plus 100 friends who REPLY get potentially \$1,000.00 each in **free, Founders stock**. Family and friends can do the same with others. No one pays a penny ever.

Innumerable people have 100 friends on their email list. Some have 1,000 friends or customers. A simple REPLY can get you \$100.00 **Money** and \$1,000 **Stock** each REPLY.

No stock is now for sale. None can be bought, sold, given away or brokered by anyone. Never pay a penny to *anyone* for this free, Founders stock – or for help in getting it.

YET: The Largest Boycott in History invites millions of Americans to be free Founders of Federal Beneficial Automatic-IRA Light-Entertainment SportsBOND Commission.

Also known as: SportsBOND/Federal Beneficial Sports Wagering Commission.

Resolve that you will reserve a Free, \$1,100.00 per day for yourself:

Not sure about Great Victory Boycott? SOLUTION: Test one email to friend. Pp. 17-18. Maybe meet, discuss.

Decide that you will bank – every day – not less than potential \$100.00 in **Money** and potentially \$1,000.00 in free, Founders **Stock** in Federal Beneficial for you.

Then you might decide to expand to 2 to 10 emails a day to reserve \$200.00 to \$1,000.00 a day in Remorse-Apology Funds **Money** for you, IF PAID, and \$2,000.00 to \$10,000.00 per day free, Founders **Stock** for you in Federal Beneficial for you, IF ISSUED.

You, banking \$11,000 a day. FREE.

Pages 16-21 tell how, in detail. It is so easy: > > >

High-end is us: If \$100.00 money per EMAIL REPLY seems high to you, see page 21. Largest Boycott activists include Two-Benzes-in-the-driveway people, and Wealthy Families. Rich people, too, like free money, and, free, Founders stock.

We don't go to McDonald's until Boycott-settlement is signed on the Evening News

Start of Email # 1:

Subject Line can be: Is this The New Big Thing? Here's maybe \$1,100.00 for you.

See if you think this just might be the biggest thing to break in the nation.
It is called The Largest Boycott in History. Also, the Great Victory Boycott.

THE GOOD CAUSES: ending Big Media's silence about Genocide of over 3,000,000
- a reliably cited number - Black Protestants and Catholics in Southern Sudan, and
Silence about anti-Semitic violence in Europe, and Iran's plans for Holocaust II.

The Largest Boycott in History is against McDonald's. For McDonald's to withdraw its
advertising from First Television Network Boycott Target, GE's NBC Universal, and the
McDonald's Board to convene 100 major advertisers, to review the crisis, and be
rewarded for doing so. This will be a national earthquake.

FOR FUN: THE REVOLT OF THE SPORTS FANS.

I am about to send to you an email with a Safe Attachment, titled WALL STREET – EASY
SHORT-VERSION.) WALL STREET-FULL VERSION, at www.gathering-of-eagles.net
shows the numbers that it claims add up. You can decide for yourself).

(1) For real-fast organizing: The Largest Boycott Ever requires that \$100.00 in money National
Honor Awards/Remorse-Apology Funds be paid by Big Media to the SENDER and the
RECEIVER of this email, IF PAID. **No one pays a penny. Ever.**

(2) BETTER: Great Victory Boycott also requires that a huge amount of free, Founders stock be
issued. The stock is to be issued by Big Media's investment banks. The free stock is in a to-be
Congress-chartered, Federal Beneficial Automatic-IRA Light-Entertainment SportsBOND
Commission. THE PLAN: Wall Street's largest public stock issue ever.

THE PLAN: for each simple, Count-me-in REPLY email, the SENDER and RECEIVER both
get maybe \$1,000.00 in free, Founders stock, IF ISSUED. **No one pays a penny ever.**

100 REPLIES might get me **\$10,000 in money Apology Funds** (100 times \$100). Plus
\$100,000 (One hundred thousand dollars) worth of free, Founders stock in Federal Beneficial.
(You can do the same to others). Plus \$1,100.00 to each friend who simply sends a simple
Count-me-in REPLY email.

**1,000 REPLIES might even get me \$100,000 in money Apology Funds. Plus \$1,000,000 (One
million dollars)** in free Federal Beneficial stock, if issued. (You can do the same to others).

(3) It is a question of how many adults are on your email list. And whether more can be added.
THE IDEA: Be a Founder of Federal Beneficial. Get free, Founders Stock. **End of Email # 1.**

Free, Founders stock in Federal Beneficial, if issued, from the Boycott-settlement.
Perhaps \$1,100.00 to me for each, free, Count-me-in email response.
THE IDEA: this is doing a good thing to Stop Genocide against Black Christians
and other people in Sudan, get varied Protestant and Catholic characters on TV,
and raise the issue of Iran’s plan for Holocaust II against Israel, the Holy Land.

No Contract-with-Enforceable-Penalty-Clauses = no end to The Largest Boycott in History.

Black is Beautiful: Send the pp. 17-18 emails to your black, and, white friends. This is Black Power to the Nth degree. It is historic power for Prods, Caths & Jews & Women, pp. 25, 26.

Who has the most power? Largest *imposes its will*. This matter is genocide. We determine the careers of the Foul-Five-Big Media executives and reporters. All of them. Largest Boycott can also levy Fines-with-Daily-Late-Payment-Penalties on individual news anchors, executives. The reason: contributory Silence about Genocide. Brian 'n' Diane are thinking about this.

It’s The Largest Boycott in History: The Pages 16-21 deal here involves a nation-stunning double-digit millions of adults. This means with friends: ‘100,000,000+’ adults who decline to go to McDonald’s. WORSE: McDonald’s and GE *employees* support The Largest Boycott Ever.

The BIG DUPES: The Boards of Directors are being systematically deceived by the current reporters of NBC News, ABC, CBS, CNN & MSNBC about all the matters of WALL STREET. Result: snickering all over the nation at ‘the Big Dupes’, the members of the board of directors.

NOTE: payouts will be audited as to one Social Security number per sender of a REPLY. People **do NOT give their Social Security number now**. But it needs to exist when the time comes to send in your claims to the Wall Street bank, page 22. Until then, do not give your Social Security number to anyone, including Great Victory Boycott.

Therefore: No to 1-person/many-email-addresses. No ghost-emailers. Because if real persons, adults, with real: 1. Social Security numbers and 2. Street Addresses do not exist to claim their own multiples of \$1,000.00 Founders Stock, you will not get your wealth, as described pages 22-24.

REGARDING THE \$100.00 MONEY PER EMAIL – \$100 times 100,000,000
Count-me-in Emails = \$10,000,000,000 (10 billion) dollars:

Ten billion dollars is a very, very cheap \$2 Billion per Fateful Five corporation: (1) GE-NBC, (2) GE-Microsoft's MSNBC, (3) Viacom-CBS, (4) Disney-ABC and (5) Time Warner-CNN*.

Largest Boycott apologizes to you: Compare this lousy, crummy, itsy-bitsy, teeny-weeny, Tiny Ten Billion Dollars to the **\$200 Billion** Big Tobacco needs to pay on top of other hundreds of billions in already-paid liabilities. Largest regrets this cornball small amount. It is only 5% of \$200 billion. Anyone for 10% & \$200.00 per email? "**MORE**," you say?! You are shocking.

Two billion dollars is 1/25th of the \$50 Billion cash that \$300 Billion-value Microsoft has sitting in the bank as Mad Money – from us. Microsoft piles up another \$1 Billion a month in this kitty – from us. We demand a lousy two billion of our money back, Mr. Gates.

GE/NBC makes \$6 Billion profit per calendar quarter. From us. A billion dollars is a buck.

The Los Angeles Archdiocese agreed to pay over \$1,333,000 for each covered-up clerical abuse case. This would be \$4,000,000,000,000 Trillion Dollars Total for the Big Five Brute Media for much, much, much worse cover-up of Genocide of over 3,000,000 Black Christians.

A U.S. Senate bill calls for a \$170 Billion public trust fund for asbestos liability.

This is double-digit billions: Wyeth has set aside \$21 billion** for Redux damages. The Incredibly Foolish Five each must pay double-digit billions** of dollars over a double-digit number of years to **The Sudanese Christians Genocide Recovery Trust**. Buy their stock? Nah.

\$2 Billion apiece. The Big Suits will shrug – and pay. Two bill is just poop to the Big Suit whoop-de-poops. *They don't care. THEY...DO... NOT...CARE.* We may require more.

The Reason Why: GE-NBC and the others' Media Silence about genocide of over 3,000,000 Black Christians. "Our Long National Nightmare begins....."

You can call yourself a Player in America's 2nd Most Powerful Institution: By supporting The Largest Boycott in History, and us getting Wall Street's largest IPO ever, pages 9,30.

The larger, money disaster to the Folly Five Media: Having to give up \$250 Billion in Federal Beneficial equity to...YOU. Their airhead reporters cost them \$250 Billion. Ouch!
The GOOD NEWS: their reporters' Secular Utopia arrives soon. The USA: to be a big, Nature-Worshipping, Socialist, Not-Judeo-Christian, unarmed, Costa Rica. L'il America. Yawn.

***News Corp. will not be a target:** Fox News recognizes Genocide Against Christians. The others do not. Let history record. Fox News-alone does not *gag* at this word: Christians. It is useful to have a worldwide media corporation that is not biased against us.

WHEN AND HOW YOU GET YOUR MONEY

This ‘PAYDAY’ Section is 3 pages, 22-24.

The Largest Boycott in History requires **continuing, formal announcements**.

Boycott-settlement is to be announced on NBC News. On a continuing basis. It’s a Largest Boycott requirement, with Penalty Payments. Major national news. You won’t miss it.

Here’s why: NBC News must assign one Senior Reporter full-time to this alone. The Boycott-Settlement Report, every Friday.

[A] HOW YOU GET PAID YOUR National Honor Award-Apology Funds MONEY:

At the continuing **formal announcements on the evening news** that (1) Money, and, (2) Stock, is to be paid to the recipients, as described in the previous WALL STREET pages:

You can then postal-mail your Awards Claim [= Your Print-outs of your Dated Count-me-in REPLY emails] to the lead Wall Street investment bank. The money will be paid – directly to you. No intermediary, including not Largest Boycott. With the caveat that this money is to come from Boycott-settlement payments, and otherwise will not be paid.

[B] HOW YOU GET PAID YOUR Federal Beneficial STOCK:

You will receive potentially \$1,000.00 in Free, Founders Stock in Federal Beneficial Automatic-IRA Light-Entertainment SportsBOND Commission stock for each Count-me-in REPLY email, pp. 16-21.

“Your **Email Count-me-in-REPLY print-outs** can be postal-mailed (or scanned and emailed) to the [Named] **lead investment bank** on Wall Street: address _____.”

Largest Boycott necessarily notes a legal caveat for pages 1-35: The stock may not be issued. If it is issued, it may have no value. You may get none even if some get some stock.

The Board Members will [there is no other accurate word] hate their News Dept. and reporters with an undying passion. Money-cost aside. And sue them for Fraud & Misrepresentation. Even for Conscious Disregard. It’s coming: Daily firings of million-dollar-a-year airheads. PAGE SIX: Our Nation’s Heart Attacked.

Except Board Members who rise heroically **to meet the worst domestic crisis in America in 140 years.** Page 29.

The word *betrayal* will be spoken a lot by Board Members. Publicly.

Decide this question yourself.

It is worth looking at the arithmetic-doubling steamroller. Page. 3. And page 24 >
See Page Six, the **Betrayal of America:** *then you know*.

If you send out only one email a day to a friend or colleague or family member (pages 15-21), after 20 days as seen on page 3, that is *a lot more than doubling*. This is **wildfire**.

Send 5-10 a day. Or more. Some people can send 100 a day.

God help the good, little, secular humanist saps at NBC News, ABC News, CBS News, CNN and MSNBC. All this stands to become continuing worldwide news.

You and your friends are heroic men and women who bring to the attention to the nation and the world the silence by Big Media, notably First Television Network Boycott Target:

1. GE/NBC's Contributory-Silence to Genocide of 4,000,000 Black Christians in south Sudan, *over half the murdered of the Holocaust, treated as a Non-event about Non-people*.

2. **GE's Board Members'** Silence about 1930s-genre, anti-Semitic violence in Europe.

3. GE's MSNBC Board Members' Silence about Iran's repeated, openly-stated, Plan to Murder with Nuclear Bombs, Six Million (6,000,000) Jews in Israel in Holocaust II even at the cost – Iran says – of taking nuclear hits themselves. NBC News: blame Israel and the U.S.

4. GE/NBC News' Silence about State-Policy Rape-and-Branding of Millions of Black Women & Girls. Perhaps the BLACK girls should tell NBC News that they are WHITE girls.

This may be the most serious domestic crisis in our nation in 140 years.³

³ Largest Boycott solves a complex problem: how to strategically outflank five worldwide media corporations that have one or more TV sets on for 10 hours a day in virtually every home in the most powerful nation on earth. Reference, Strategy by B.H. Liddell-Hart.

Perhaps Lord Immelt, the Duke of Disgrace, the Emperor of Disaster, feels that we underpay him. It is time way-overdue for Maharajah Jeffrey to recognize that what is going on at NBC News and MSNBC is destroying his career as it causes great damage to this nation.

At long last, Mr. Immelt, have you simply no sense of shame? None at all?

Jeffrey Immelt and his executives are The-Nixon-White-House-in-Denial about the magnitude of the catastrophe now upon them. This is ‘after the Watergate break-in’. But this is 1,000 times Watergate. Cover-up works, doesn’t it?

Major Celebrities who Support Largest Boycott may each get a stunning \$50,000,000 in Federal Beneficial stock. These 2 pages, 27-28

So can Fortune 500, Labor Union & Major Association Boards of Directors.

Largest Boycott's largest intended-patronage comes from the Initial Public Offering of SportsBOND/Federal Beneficial Sports Wagering Commission.

The REASON for the PLAN: to offer National Honor Awards to boycott supporters.

See the **Seven Decisive Factors**, pages 10-12. And the reasoning that a largest Wall Street valuation of \$500 Billion for Federal Beneficial may be possible.

Congress very strongly supports the Largest Boycott in History due to (1) three new television channels, Congress TV Channel, Democratic Party TV Channel, Republican Party TV Channel; and, (2) AIR CONGRESS, page 13.

Coming: Congress' *deep, rising, loud, anger* about Big Media's Silence. And Hearings.

Largest Boycott suggests that the perhaps-potential numbers for Federal Beneficial, though speculative, would allow a very large, **potential, some Millions of Dollars to be offered to each of up to 500 motion picture, television, music, sports, business celebrities.**

500 will not be chosen. Maybe 200. Maybe 100.

One hundred (1) Fortune 500, (2) Labor Union and (3) Major Association Boards of Directors can get \$50 Million *each* in Federal Beneficial stock, to divide up among the board members, executive, outside, professional.

Five Billion Dollars potential total. It's New Dominant Culture patronage.

"Worse than": **GE's NBC News: SILENT.**

Protestants, Catholics, Black Americans, Jewish Americans have paid *One Trillion Dollars* in 15 years on TV advertising alone on GE/NBC et al. 12 zeroes: \$1,000,000,000,000.
Our trillion dollars was not spent for the products. We all spent this on TV advertising alone. We spent over \$60 billion a year for 15 years by Purchase-of-advertised-products.
GE alone makes \$500,000,000 dollars profit every week – from us.

\$400 Billion market value (from us) GE/NBC must very, very publicly, with major-announcements with CONTINUING-FOLLOW-UP-NIGHTLY on NBC News:

The Language of Men & Hundreds of New Reporters

The Largest Boycott in History requires the hiring of hundreds of real, actual, investigative, on-air reporters at a poverty-wage, tearful, \$100,000.00-a-year.

This is only \$10 million-a-year for each 100 reporters – per Big Media corporation. Including: brigades of Prod & Cath & Jewish & Black & Women warrior intellectuals. All Los Angeles-based. All on all-Big-Media Blackberry. Oh, and all Largest-vetted. These super-aggressive reporters will be strong men and steel-resolute women – not male-models & perky girls who CONTRIBUTE to GENOCIDE by NOT REPORTING IT.

Boycott continues until: the Rigid Five have **outsourced Sudan to freelance video reporters** – with \$1,000,000-a-Week each, audited-weekly-payouts, to independent new sources.

Plenty of time on the Evening News: no end to Largest Boycott until the Evening News is one-hour in length. Get some excitement going. Concentrate on WALL STREET issues.

No more lone-anchors: Dual anchors – for love and warmth. Intellectual variety. Include Black anchors. Largest Boycott picks ‘em. Sports News, 365 days.

Nightly guest Commentaries by tough Prod, Cath & Jewish, Jack Bauer-ish intells.

Presiding Responsible Board Member: Largest Boycott requires that each of the Fateful Five assign a publicly-named Board Member to supervise every news and public affairs broadcast from the set. (*Each Board Member must be contactable by publicized email.*)

This Board Member must have plenipotentiary hiring and firing authority. And give a weekly written report to the members of the board of directors on the matters herein.

Woulda Coulda Shoulda

Had the anchors and reporters of NBC, ABC, CBS, MSNBC and CNN been merely normal, unbiased, professional journalists, following obviously-immense news stories:

They would have saved their parent corporations from the awful scandal and double-digit billions of dollars in Remorse-Reparations. Nice work, guys and girls. Intelligent!

COULD HAVE SAVED MILLIONS OF LIVES – BUT DIDN'T. Nice epitaph, guys and girls. Secular Humanism works. Continue to develop your System Of Thought.

Your categories and careers are not dead. Yeah, right.

FOSSIL-DEAD: the Schoolyard-sap Christian. The Pantywaist Protestant. The Namby-pamby Catholic. Gone to the dust heap of history to join the hat-tipping Negro and the vivacious Female cookie-baker. Deference is dumb.

Increasing rapidly: Schoolyard-sap secular humanists. Sensitive. Sweet. Barf-up.

All the 100 largest television advertisers (pp. 4,27) will bring suit, for Fraud and Misrepresentation, singly and as a class, against GE/NBC et al, regarding the matters herein.

WALL STREET – free Apology Funds from billions of dollars (page 21) at Boycott-settlement:

Black Protestants & Catholics in Sudan, and, [2] Iran’s plans for Holocaust II.

The double-digit billions settlements go to the **Sudanese Christians Genocide Recovery Perpetual Trust, and, PAC** p. 26, in the names of the Honored, individual advertisers. Those among the Folly-Five Big Media that would like to see advertising dollars, can settle.

Due to Silence about G: Each of the five must build a standalone-building News Bureau in south, Christian Sudan. For reportage over the next 50 years. To aid in not ‘forgetting’.

The Reparations-5 Big Media must each editorialize on the Evening News – without letup – on their worldwide platforms:

That the U.S. and NATO and African Union and – reshaping the world – “every mainly-Protestant-&-Catholic nation on earth”, **be called to the colors** to step-up and stop Genocide Against Christians in Sudan, Genocide Against Black Africans in Sudan, and State-Policy Rape of Millions of Black Women. And: the next Iran-via-Lebanon attack on Israel, the Holy Land.

The New Map of the World.

Over one billion Prod & Cath & Black Men worldwide can be called upon.

As Admiral Nelson would put it, “Christendom expects every man to do his duty.”

Reporters worldwide await:

The PERMANENT ASSEMBLY of CHRISTENDOM (page 26) will issue Christendom Legal Arrest Warrants (CLAWs) for all of the Sudanese government’s perpetrators of **1. Crimes Against Black People, 2. Crimes Against Christians, and 3. Crimes Against Women**.

These warrants will tend to be noticed worldwide.

Power in the World

To borrow a movie line, “The Empire strikes back.” The combination of:

1. America, history’s first, true, global hyperpower, plus,
2. An aroused 2,300,000,000 Christians (Citation: Dr. Rick Warren, Forbes, May 7, 2007, p. 229), the world’s largest, most powerful social group by far, with no competitors, and,
3. Black People Worldwide (BPW), Women Worldwide (WW) aroused in cool, just-anger, and,
4. The PERMANENT ASSEMBLY of CHRISTENDOM (PAC), the 125 mainly-Protestant and Catholic nations, and Israel, page 26, and,
5. Required continuous-advocacy by the Reparations-5 Big Media, means that:

The **Genocide Against Christians in Sudan, and Iran’s Plans for Holocaust II** will be addressed 365-days-a-year by the full 180-degrees array of 1. Diplomatic, 2. Economic and 3. Military instruments at the disposal of Congress, Christendom, and all the civilized world.

Not just the schoolyard-sap, 2-of-180 choices, of the Five Big Media super-dunce reporters: the UN and ‘dialogue’. Pathetic. Hapless. Schmoos-like. Provincial. Unmanly. Intellectually immature.

Women were and are The Special-Horror Victims of the Two Genocides in Sudan.
The Women Reporters of the Five Foolish Big Media ignored and BETRAYED the horrific sufferings of women – just as the Protestant and Catholic and Black reporters ignored the genocides against their own 'Incorrect Social Groups'.

PAC will create Women's Universal Rights Emancipation TV Channels – satellite and Internet TV – in every major language worldwide.

To liberate all women: see the **World Parliament of Women** in The Letter from Black Newspaper Publishers that Shook the World, www.gathering-of-eagles.net

The Emancipation Proclamation will be read – MONTHLY – clause-by-clause, on worldwide television by women from all six continents, and include Protestant, Roman Catholic, Jewish, Muslim and Hindu women. And some Tough, Tall, Threatening, men readers.

Largest Boycott requires that that the Reparations-5 Media sponsor a worldwide contest of 10, \$1,000,000 Prizes, for the best Emancipation Proclamation.

For the First Time in History, women settle accounts with their tormentors. Page 32.

The Boycott That Changed the World. The Largest Boycott in History will not end. Rather, it will only be suspended. Largest Boycott is a 100-year power.

Led by advocacy by Big Media on worldwide channels – The Assembly of Democratic Petroleum-using Nations (ADPN) can be be founded:

Three, great, world social groups – Christians, Black People, Women – will require Triple-digit Billions in Reparations, our money back via surcharge, from the perpetrators and paymasters of Race & Religion Genocide, and, Government Policy Rape-and-Branding of Women.

More Patronage:

Columnists, Commentators & Talk Show Hosts TV Channels, page 2.

Columnists, commentators and talk-show hosts get commentary-slots on the channel. And, stock ownership. They can make a lot of money – if they are genocide-Abolitionists.

Black Protestants & Catholics in Sudan, and, [2] Iran’s plans for Holocaust II.

HOW THE DISASTER HAPPENED – The Perfect Storm that Changed History,
and threatens to ruin the reputations of five-Big-Media Board Members for 100 years:

1. The rise in the National Media reporters over the past 40 years of anti-Protestant and anti-Catholic bigotry; Gothic fears, and scorn for Christians. **2.** Statist leftism’s usual resentment against Christianity. **3.** Leftist, anti-Israel bigotry in secularist reporters in regard to reporting anti-Semitic violence in Europe and Iran’s Action Plans for Holocaust II. **4.** Some American Anti-Americanism. **5.** The artless loathing of the U.S. military. **6.** The unprofessional, all-consuming hatred of President George W. Bush, who was willing to stop genocide. **7.** *New Castrati*, feminized, girlyized news reportage. **8.** The abandonment of feminist concern for victimized women. **9.** The irrational belief in multiculturalism-as-an-absolute, ‘dialogue’, and the UN as the solution to all world problems. **10.** The loon’s Secret Dream of displacing Christianity in the Judeo-Christian West. **11.** Added Secular Utopianism, Secular Absolutism, Secular Millenarianism. **12.** The 10,000-year-old, simple-minded, primitive, religion of Nature Worship with Gothic Fears. **13.** The Great Failure to Articulate by Protestant & Catholic & Black & Women intellectuals.

All this bigotry, intolerance, hatred and hypocrisy allowed Genocide of over 3,000,000 Black Christians. It allows – and invites – Holocaust II of six million (6,000,000) Jews.

Three social groups, 1. Protestants & Catholics, and, 2. Black People, and, 3. Women, *seemed to be* safely inactive, off the stage of History. This trio *seemed to be* non-players on the World Stage. *Seemed to be* losers. Thus, Islam, and, Secular Humanist Culture, drew the fateful, catastrophic conclusion that they could get away with Genocide Against Black Christians in Sudan, including Government-Policy-Rape of Millions of Women & Girls – and Silence about these Great Crimes. An unwise decision.

Ours is a DECLARATION of INDEPENDENCE from a Biased, Brutal, Big Media:

We support the Largest Boycott in History, against McDonald's, a TV advertiser, until the awful scandal of GE/NBC's and others' **Silence about Genocide of over 3,000,000 Black Christians in Sudan** – over half the numbers of the Holocaust – has been settled in a nationally-televised Boycott-settlement. As detailed in WALL STREET: www.gathering-of-eagles.net

We await your *EXTREMELY RESPECTFUL REPLY*.

The \$75,000,000 charge to each of five Big Media corporations is hardly even tip-money. It's a rounding-error. It is a footnote. It is a detail of a detail. See page 21 in these regards.

There is a real question of whether the careers of the CEOs of Five Big Media, (1) GE-NBC, (2) Microsoft, and, MSNBC, (3) Viacom-CBS, (4) Disney-ABC and (5) Time Warner-CNN, can possibly survive the inevitable, **nation-horrifying, world-televised U.S. congressional hearings**. With subpoenas. With Genocide Witnesses and world-enraging news photos and videos. All Big Tobacco CEOs were gone a year after the Congressional Hearings.

Let each Board Member of McDonald's contact one or more Five-Big-Media Board Members about the largest U.S. domestic crisis in 140 years. LARGEST requires that McDonald's Board Members who act receive not less than \$1,000,000.00 National Honor Awards money *each*, and favorable treatment on the Evening News. Plus, page 27.
